

INNOVATE 360

The 'Abstract Idea Submission' event aims to gather innovative and impactful ideas from students in various technical fields. Note that the ideas should be practical and benefit a larger section of the society. Abstracts have to be submitted online on the Prodyogeeky'24 website. A **working model** needs to be prepared on the same.

1. ELIGIBILITY

Only students enrolled in a Btech degree program in any stream in a recognised university or college across India are eligible.

TEAM SIZE- minimum 3 members in each team.

2. THEME

Solution to real world problems.

3. DEADLINE

All proposals must be submitted on the official website of Prodyogeeky in the given format:

- Title of the Idea
- Introduction/Background
- Problem Statement
- Proposed Solution/Methodology
- Expected Outcomes/Benefits
- References (if applicable)

Include participant details: Full Name, College/University Name, Department, Contact Information.

4. CONTENT GUIDELINES

- Abstracts should be original and not previously published elsewhere.
- Keep the abstract clear and concise.
- Use professional language and provide technical details where necessary.
- Clearly state the significance and potential impact of the proposed idea.
- Avoid disclosing sensitive or proprietary information in the abstract

5. EVALUATION CRITERIA

Evaluation will be done in **two** stages:

- a) **Online submission** of abstracts on the official website of Prodyogeeky'24.
After qualifying in the first round, the team will be considered for second round of evaluation.
 - b) Presentation of idea and **demonstration** of **working model** in physical mode at NIT Uttarakhand.
- Entries will be assessed based on originality, technical feasibility, clarity, innovation, and potential impact.

NIT Uttarakhand reserves all rights. The decision of the judges shall be final and binding on all terms.

6. IMPORTANT NOTES

- Originality of content is appreciated.
- All submissions should strictly adhere to the specified guidelines to be considered for evaluation.
