CADATHON

The Cadathon competition is based on Computer Aided Designing software. We will provide drawings related to civil or mechanical engineering. You need to draft the same drawing on softwares like Autodesk Fusion 360, Solidworks as per your convenience. 2D or 3D models can be given as questions with specified dimensions and labels.

RULES AND REGULATIONS:
- Only 1 participant per team.
- PDF drawing will be given at the time of competition.
- Points are noted for drafting, detailing, labeling and coloring.
- The final result will be judged on the basis of completeness and optimum time.
- Top three winners will be awarded with a prize and merit certificate.
- All participants would be awarded with participation certificates.
- Malpractice should be avoided. It may lead to disqualification.
- The verdict of the judges would be final.
- The choice of software depends on the choice of the participants.

PRIZES
- The prize money will be awarded to winners via NEFT and will be processed within 25 working days after receiving the prize money from our sponsors.
- The winners will have to mail the following information (immediately after the announcement of results) to **techclub@nituk.ac.in** strictly in the following format:

  - Subject
    - Competition Name, Team ID - your position (example- Robowars, PG1003- 3rd Position)
  - Body of mail:
    - Captain Account Holder's Name
    - Account Number
    - Bank name and Branch name.
    - IFSC Code
