# TREASURE HUNT

Treasure hunt is one of the most interesting and popular events in the college. Unlock the riddles and find the treasure hidden beneath the college.

## GUIDELINES:

### Team Formation:
Teams must consist of four members each.
All team members should be present at the auditorium at the beginning of the event.

### Event Structure:
The event consists of five rounds, each with a unique riddle leading to a location.
Teams will progress through the rounds sequentially.

### Riddles and QR Codes:
Each round involves solving a riddle that leads to a specific location.
At the location, teams will find a password-protected QR code.

### Passcode Integration:
The passcode required to unlock the QR code is embedded within the riddle itself.

### Time Limits:
A time limit is set for each round. Teams must complete the round within the allocated time.

### Starting Point:
All teams will start the event at a designated starting point that is our auditorium.

### Arena:
Arena detailed map will be shared later on.

### Scoring:
Points are awarded for successfully solving each riddle and unlocking QR codes.
Team to successfully reach the specified endpoint wins the game.
In case more than one team reaches the final destination at the same time then, team with the highest cumulative score at the end of the event wins.

**Fair Play:**
Teams must adhere to the rules and instructions provided by event coordinators.
Any violation of fair play may result in point deductions or disqualification.

**Event Coordinator Presence:**
An event coordinator will be present at each location to monitor and guide teams.

**Soft Copy Map:**
A soft copy of the pre-prepared map of NIT Uttarakhand will be provided to each team at the beginning of the event.
Teams are encouraged to refer to the map for better navigation and to locate the designated locations for each round.

**Enjoyment and Sportsmanship:**
The primary goal is to have fun and enjoy the challenge.
Sportsmanship is essential, respect all the fellow participants and event coordinators.
