MATLAB RUN

EVENT RULES AND GUIDELINES

Event Overview:
- The "Matlab Run" solo edition focuses on individual problem-solving using Simulink.

Participant Eligibility:
- Open to students from all disciplines.
- Participants must register in advance to secure a spot.
- Any individual proficient in Matlab Simulink, regardless of academic background, is welcome to register.

Competition Structure:
- The competition consists of two rounds
  - Round 1
  - Round 2.
- Participants will progress to Round 2 based on their performance in Round 1.

Arena:
- The venue of competition would be updated before the start of competition to the registered participants.

Judging Criteria:
- Round 1
  - This will be a quiz round based on topics of matlab functioning.
  - Score would be the first criteria of judging followed by time of submission.

- Round 2
  - Successful implementation of Simulink in a real-world scenario.
  - Individual problem-solving skills.
  - Effective time management.

Scoring:
- Scores from both rounds will be combined to determine the overall winner.

Winner:

- The participant with the top three cumulative scores is declared the winner.

Fair Play:
- Participants must adhere to the rules and instructions provided by event coordinators.
- Any attempt at plagiarism or dishonesty will result in disqualification.

PRIZES
- The prize money will be awarded to winners via NEFT and will be processed within 25 working days after receiving the prize money from our sponsors.
- The winners will have to mail the following information (immediately after the announcement of results) to **techclub@nituk.ac.in** strictly in the following format:

  - Subject
    - Competition Name, Team ID - your position (example- Robowars, PG1003- 3rd Position)
  - Body of mail:
    - Captain Account Holder's Name
    - Account Number
    - Bank name and Branch name.
    - IFSC Code

AN IMPORTANT NOTE:
- Judges can disqualify a team if any of the above criteria is not fulfilled.
- These rules may change at any time, even without explicit notification to teams.
- However, the document uploaded here is to be followed as the latest problem statement for all the rules and design specifications.The teams acknowledge that they have a responsibility to read, understand and abide by the rules and
- Prodyogeeky reserves the right to prevent any team from competing at any time for any reason.
- In case of any queries, participants are encouraged to contact Prodyogeeky'24 Team.
- Prodyogeeky'24 has the rights over the guidelines and can alter them as per the requirements.
